

MORE
Maintenance On Reliable Engines

November 27, 1996

Southeast Turbines

This letter is to show all that the **MORE COMPANY** has completed a review and is pleased to list **Southeast Turbines**, as a Service Center for **MORE COMPANY** Engine Condition Monitoring Program for PT6A engines.

Southeast Turbines, has the necessary inspection tools, equipment, manuals, and understanding of the **MORE PROGRAM** requirements, and skills needed to provide exceptional service.

Sincerely,

John Martin
Program Manager
MORE Company, Inc.
